**Questions from Members of Public Min 71/2017**

Mr T.Robbins reported that the Fishing Club are felling trees round the small pond & had planted a species of pampas grass that is invasive & should not be planted in the wild. Cllr Clark asked if the trees were crack willow that the club had planted and were known to cause problems, but in any event the club should ask before taking any action, he agreed to speak to Tom Dennis on this matter. Mr Robbins also stated that there were no signs asking persons to close the gate in the new otter fencing, there was a notice saying "no unauthorised entry".

**Questions & Updates on the Minutes Min 73/2017**

Clerk reported that she could find no contact details in phone books or yellow pages for both Aspen & Amber Tree Services. Members found their details on the internet, to be contacted for quotes for trimming the trees on the Trent Bank. Defibrillator ; Equipment is installed NLC have just carried out the annual inspection & replaced the pads which have an expiry date. Letter also requested that the information re contacting the emergency services, new stickers enclosed be placed on the outer casing. Clerk reported she had been down tonight & placed the red stickers as requested.

**Letter to be circulated to all residents** Clerk had sent draft letter to all Members to agree content.

Cllr Staples ; Good idea to put prices of play equipment as residents would not be aware of the costs of equipment. All other Members agreed with the document which would be printed & delivered to all households. Mr Robbins offered to deliver them on our behalf for which he was thanked.
